

# C-Vivace

Style and Function

Bauhaus enlightened.

# C-Vivace

Style and Function

The single most influential design movement of the modern age eloquently expressed

A slim, trim profile, pleasing to the eye, clean and refined, the C-Vivace is a switch and socket set that perfectly complements the modern lifestyle. Inspired by the simple, elegant minimalism of the supremely influential Bauhaus movement, every piece in this robustly constructed range expresses a pleasing form following function.

Unmarred by visible fastenings, the sleek clean lines of C-Vivace present a cool refined touch of style to almost any interior.

## About Schneider Electric

Listed in Paris as a CAC 40 company, Schneider Electric is a leading global specialist in energy management offering integrated solutions that makes energy safer, more reliable, efficient and productive in the energy & infrastructure, industry, data centres & networks, buildings and residential markets. With sales of 17.3 billion euro in 2007, the company's 120,000 employees in 102 countries help individuals & organisations make the most of their energy.

The Installation Systems & Control Division of Schneider Electric provides solutions that represent the best in lifestyle and innovation for offices, hotels and homes. These solutions include award-winning products and technologies in the areas of building and home automation, structured cabling, and designer switches and sockets.

## About Clipsal

Clipsal was established in Adelaide, Australia in 1920. Since then, it has grown from an innovator of electrical accessories to a leader in integrated control automation, structured cabling and energy conservation products in addition to electrical accessories.

Clipsal has become a member of the Schneider Electric Group since 2003.
